一巡先の想い

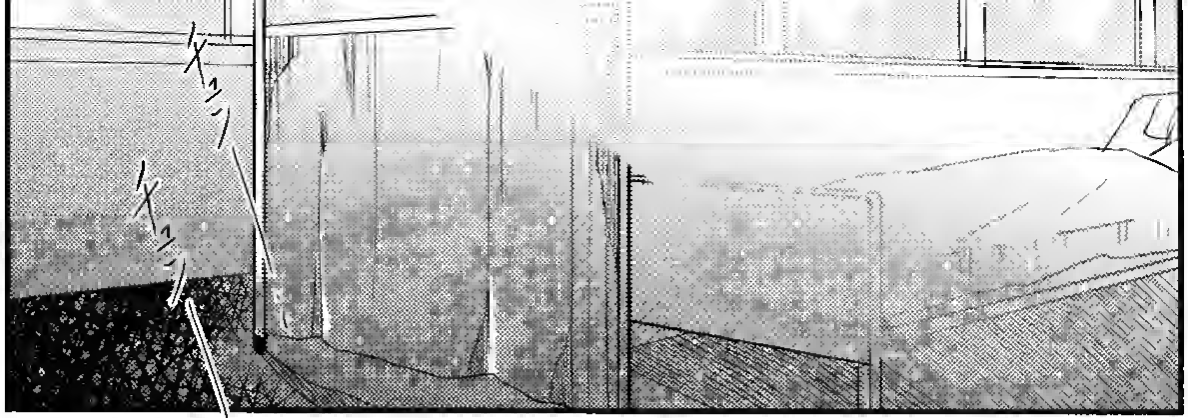
Foreword

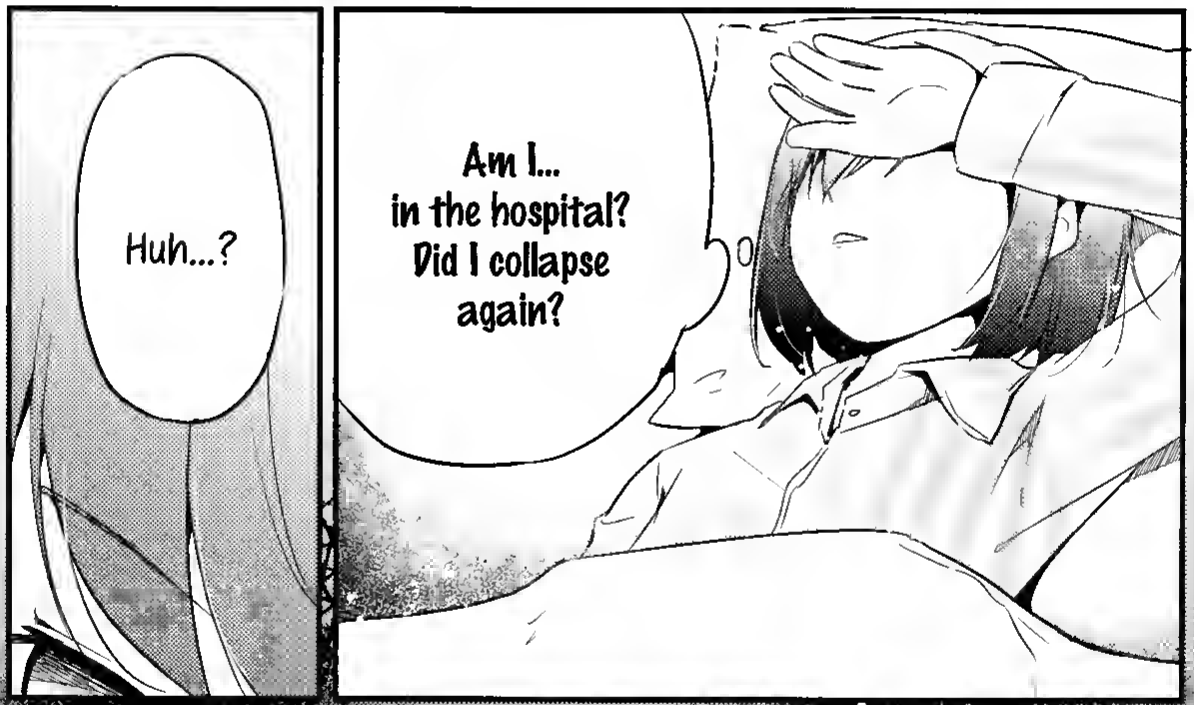
I am truly grateful for receiving NEKO-Sensei's assistance this time around as well!

Hello, it's been a while! I'm Rcat.
Thank you for reading this book.

NEKO-Sensei was in charge of the writing this time around. I handled the drawings on the mini badges. There is a huge difference between our drawing styles, so it was a sufficient challenge to me. Next time, I'd like to give drawing all the characters a shot.

I hope you enjoy the book!





Huh...?
Am I...
in the hospital?
Did I collapse
again?

Toki, are you awake?

Her interviews have just ended, so she hasn't changed yet.
I'm not sure what happened to me. When I woke up, I was suddenly able to see one round ahead.
You should use that power of yours on something more beneficial.
And delete that picture, too

Afterword

Hello, NEKO here.

After I watched Achiga-hen, I thought of a story centered around an assertive Toki, and a Ryuuka who has not yet come to terms with her feelings. And so you have this book.

It takes place some time after Senriyama loses in the tournament, and Toki finally decides to tell Ryuuka how she feels about her. Even though Ryuuka accepted those feelings, she is having trouble seeing her best friend Toki as a lover. As they have very little experience with romantic relationships, I imagined this is how they would overcome misunderstandings in order to find a way to get along as lovers.

To be honest, I would have liked to draw them crossing a certain line as well. But you can look forward to that in my next work. I'll see you later!
